

15th International Conference on Information and Communication Systems (ICISS 2024): Advancing Digital Transformation in a Post-Pandemic World

The 15th International Conference on Information and Communication Systems (ICISS 2024) will be held in Hyderabad, India from December 16-20, 2024. The conference will bring together researchers, practitioners, and industry leaders from around the world to share their latest research findings and insights on the transformative power of information and communication technologies (ICTs).

ICISS 2024 will focus on the theme of "Advancing Digital Transformation in a Post-Pandemic World." The conference will explore how ICTs can be leveraged to address the challenges and opportunities presented by the COVID-19 pandemic, and to accelerate digital transformation across all sectors of society.

The conference will feature a keynote address by a leading expert in the field of ICTs, as well as a series of technical sessions on a wide range of topics, including:

Information Systems Security: 15th International Conference, IAPCON 2023, Hyderabad, India, December 16–20, 2023, Proceedings (Lecture Notes in Computer Science Book 11952) by Charles Baudelaire

- Artificial intelligence and machine learning
- Blockchain and distributed ledger technologies
- Cloud computing and edge computing
- Cybersecurity and privacy
- Data science and analytics
- Internet of Things (IoT) and sensor networks
- Mobile and wireless technologies
- Networking and communications
- Social media and social networks
- Software engineering and applications

ICISS 2024 will also feature a number of special events, such as a doctoral consortium, industry workshops, and a technology exhibition.

- **Abstract submission deadline:** March 15, 2024
- **Full paper submission deadline:** June 15, 2024
- **Notification of acceptance:** August 15, 2024
- **Camera-ready paper submission deadline:** September 15, 2024

- **Conference dates:** December 16-20, 2024

Authors are invited to submit original research papers that have not been previously published or submitted for publication elsewhere. Papers should be formatted according to the IEEE conference template and should be no more than 8 pages in length.

Submissions will be peer-reviewed by a panel of experts in the field. Accepted papers will be published in the conference proceedings and will be indexed in major academic databases.

Registration for ICISS 2024 will open in June 2024. Registration fees will vary depending on the type of registration (e.g., student, regular, industry).

ICISS 2024 will be held at the Hyderabad International Convention Centre (HICC) in Hyderabad, India. The HICC is a world-class convention centre that is located in the heart of Hyderabad's business district.

A variety of hotels are located within walking distance of the HICC. Attendees are encouraged to book their accommodations early, as Hyderabad is a popular tourist destination.

Citizens of most countries do not need a visa to enter India for a period of up to 30 days. However, citizens of some countries are required to obtain a visa in advance. Please check the Indian Embassy or Consulate in your country for more information.

For more information about ICISS 2024, please visit the conference website or contact the conference secretariat at info@iciss2024.org.
