

Identify Our Common Species And Learn More About Their Lives Rspb Spotlight

RSPB Spotlight is a free app that helps you identify birds, insects, mammals, reptiles, amphibians, and plants in the UK. With over 700 species to choose from, there's something for everyone.

The app is easy to use. Simply take a photo of the plant or animal you want to identify, and the app will provide you with a list of possible matches. You can then narrow down the list by selecting the animal's size, shape, color, and other features.

The Everyday Guide to British Birds: Identify our common species and learn more about their lives (RSPB Spotlight) by Charlie Elder
