We offer a wide range of surgical services for children of all ages, from newborns to adolescents. Our services include:

- General paediatric surgery
- Neonatal surgery
- Urological surgery
- Orthopaedic surgery
- Plastic surgery

- Ophthalmic surgery
- Otolaryngology (ENT) surgery

We understand that surgery can be a stressful time for both children and their families. That's why we take the time to explain the procedure in detail and answer any questions you may have. We also offer a variety of support services to help you and your child through the process, including:

- Child life services
- Social work services
- Nutritional counseling
- Pain management
- Follow-up care

We are committed to providing the best possible care for your child. We are here to answer your questions, provide support, and help your child through the surgical process.
