Judy Moody is a spunky and independent third-grader who loves nothing more than a good adventure. When she receives an invitation to a royal tea party, she's over the moon with excitement. But as the day of the party approaches, Judy starts to worry that she won't be able to fit in with the other, more sophisticated children.

With the help of her best friend, Rocky, Judy sets out to transform herself into a proper princess. She practices her curtsies, learns how to sip tea,

and even tries on a tiara. But no matter how hard she tries, Judy can't seem to shake her signature moodiness.

On the day of the party, Judy arrives at the grand estate feeling nervous and out of place. But as she mingles with the other children, she realizes that they're not as different from her as she thought. They're all just kids, after all, and they're all just as excited about the tea party as she is.

Judy Moody and the Right Royal Tea Party is a delightful and heartwarming story about friendship, self-acceptance, and the importance of being true to yourself. With its relatable characters, laugh-out-loud humor, and important lessons, this book is a must-read for young readers.

### **What Parents and Educators Are Saying About Judy Moody and the Right Royal Tea Party**

"Judy Moody is a character that kids can really relate to. She's spunky, independent, and always up for an adventure. This book is a great way to teach kids about the importance of being true to yourself, even when it's hard." - **Amazon reviewer**

"Judy Moody and the Right Royal Tea Party is a fun and engaging story that will keep kids entertained for hours. The characters are well-developed and the plot is full of surprises. This book is a great choice for a read-aloud or for independent reading." - **Educator**
