**Answer Key:**

- apple: 1
- banana: 2
- cherry: 3

- grape: 4
- orange: 5

### **Benefits of this Activity:**

- Helps children learn to count to 5.
- Improves children's number recognition skills.
- Develops children's fine motor skills.
- Encourages children to learn through play.

### **Variations:**

- For younger children, you can reduce the number of treats on each page.
- For older children, you can challenge them to write the number words instead of the numerals.
- You can also use this activity to teach children about different types of fruit.

:

This Sweet and Fruity: Count and Write the Number activity is a fun and engaging way for children to learn to count and write numbers. It is a great activity for preschoolers and kindergartners, and can be easily adapted to meet the needs of individual learners.
