What is a Cozy Mystery?

A cozy mystery is a subgenre of the mystery novel that typically features a non-violent crime, such as theft or murder, set in a small, close-knit community. The protagonist is often an amateur sleuth, such as a librarian, teacher, or retiree, who uses their local knowledge and sharp wits to solve the crime.

Why Travel Can Be Murder?

While traditional cozy mysteries are confined to a single setting, travel cozies take the genre to new heights by incorporating exotic locations and international intrigue. From the bustling streets of London to the ancient

ruins of Petra, the backdrop of each story becomes an integral part of the mystery, adding an extra layer of depth and excitement.

Travel Can Be Murder box sets offer an unbeatable value for cozy mystery enthusiasts. Typically containing multiple books in a series, these sets provide hours of reading enjoyment.
