Judy Moody and Stink are back in a triple pet predicament!

Judy Moody is a self-proclaimed "moodologist" with a talent for getting into trouble. Her younger brother, Stink, is her loyal sidekick who often gets dragged along on her misadventures. In *Triple Pet Trouble*, Judy and Stink find themselves in a pickle when their beloved dog, Mouse, goes missing.

Determined to find their furry friend, Judy and Stink set out on a search mission. But before they can even begin, they are sidetracked by two new pets: a mischievous cat named J.J. and a hyperactive hamster named Squeaky.

With these two new pets causing chaos at home, Judy and Stink must find a way to balance their search for Mouse with the care and feeding of their new additions. As they follow clues and interview suspects, Judy and Stink uncover a series of mishaps and misunderstandings that have led to Mouse's disappearance.

Along the way, they learn the importance of teamwork, problem-solving, and never giving up on the ones they love. With a little help from their friends, Judy and Stink finally solve the mystery of Mouse's disappearance and bring him home safely.
